Dear Families,

The **5th Session of Extended Day will begin Monday, February 22, 2016.** This program gives students a snack, a place to work on their homework, get extra academic support, and enjoy an enrichment activity. This program runs Monday through Friday, from 3:30p.m.-5:00p.m., and each session lasts six weeks. Attendance on Fridays is optional. **The fourth session will end this Friday, February 19.**

A grant covers a portion of the costs associated with this program. To cover the rest, a \$50.00 fee is charged per student for this six-week session. The family rate is \$70.00. A \$10.00 surcharge will be added to any registration fee that comes in after the session has begun

With the exception of illness, or participation in sport practices and game schedules, students must commit to attending Monday through Thursday of the six-week session, and stay until the 5:00p.m. dismissal.

If interested, please return this form along with payment by **Monday, February 22, 2016.** Contact the school office if you have any questions.
