**“CARRY GOD’S LIGHT TO OTHERS”**

### PRINCIPAL’S NOTE

**Family involvement is key, so please read and sign any papers that are brought home, and please get back in touch with the school if you miss a call from us. We look forward to working with you to ensure your student gets the best education possible in a safe, loving, and faith-filled environment.**

### SISTER THEA BOWMAN “CALL” TO DO OUR PART

**“If we work together, pray and stand together, we can create a new heaven and ease life for each other.” Sister Thea Bowman, 1990.**

### UNIFORM

**Be sure that any new hair styles or hair-cuts meet the uniform standard. NO designs cut into hair, natural hair color only, and length must not be a distraction.**

**Reminder: Girl’s skirts and jumpers are to be knee length. Thank You.**

### PEACEMAKER DAY

**Thank You God for students that are our Peacemakers of the school today and Peacemakers of the world tomorrow. The Peacemaker Day celebration is at the end of the month each month, and all of our students without major behavior incidents or repeated behavior issues are invited to an afternoon activity to enjoy. They also get a non-uniform day.**
